

VISION STATEMENT OF DR Y. R. PATIL

Government Ayurved College, Hospital and Pharmacy serving with sole aim of educating students and promoting research work in Ayurveda to make it more relevant in the 21st Century. We strive to create state of art medical facility to be at service of community with utmost dedication and professionalism. We are committed in developing budding health care professionals into an ayurvedic practitioner empowered with holistic techniques from vedic period to help patients maintain a healthy life, eliminate impurities, reduce stress and fight disease. We established Pharmacy unit with a vision of supplying Ayurvedic Medicines to all Government dispensaries in Maharashtra state.

Government Ayurved College, Hospital & Pharmacy serving with mission of: -
